3. Eagle Scout Award
4. Easter Egg Hunt
5. Easter Program
6. Acknowledgements

Girl Scouts In Worship

The First Nazareth Girl Scout program was reactivated in 1992 with over 15 girls in three troops. Today, the troops have grown to include all levels of scouting: Daisies, Brownies, Juniors, Cadettes and Seniors/Ambassadors. Its mission is to develop young ladies from 5-18 years of age to be strong leaders and inspire them to make the world a better place. This is done primarily in service to God and the community at large. The scouts work extremely hard to help others in need with a myriad of opportunities and various programs that will be helpful to senior citizens, children, the homeless and the disabled. The girls have also assisted youth programs by providing many donations to children who are abandon and displaced at various shelters.

This year, the scouts collaborated with the Mount Moriah Baptist

Church girl scouts from North Charleston, SC to celebrate Girl Scout Sunday. In celebration of the 113th year of scouting, the troops came together to advance the scouting program, make new friends and align with the Girl Scout law to serve an awesome God and be a sister to every girl scout. Over 50 girls spent the weekend together at the girl scout center and experienced many new activities designed with fun, games, and major entertainment.

The girl scouts worshipped together, adhering to their promise to serve our awesome God. There were others from the Mount Moriah family in attendance as well., and the troops made a donation to the church.

The weekend ended after worship with a delectable meal and closing fellowship at First Nazareth.

Eagle Scout Recipient

Zavery Aaron Johnson

Zavery Aaron Johnson is the son of Deacon and Mrs. Miles Johnson. On Saturday, April 12, 2025, Zavery Johnson received the highest Boy Scout honor known as the Eagle Scout Award.

To become an Eagle Scout, Scouts need to accumulate at least 21 merit badges before earning the Eagle Scout badge. Zavery completed these requirements and more, while maintaining a high GPA. He completed an accomplishment in Boy Scouting that many young men have desired to achieve.

He successfully completed these requirements with Boy Scout Troop #74 at Brookland Baptist in West Columbia, SC.

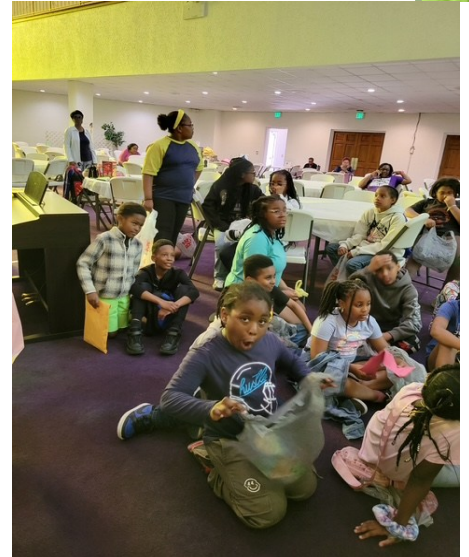

He is an outstanding student and a recent graduate of Westwood High School. He will attend Clemson University in the fall.

EASTER EGG HUNT

EASTER EGG HUNT

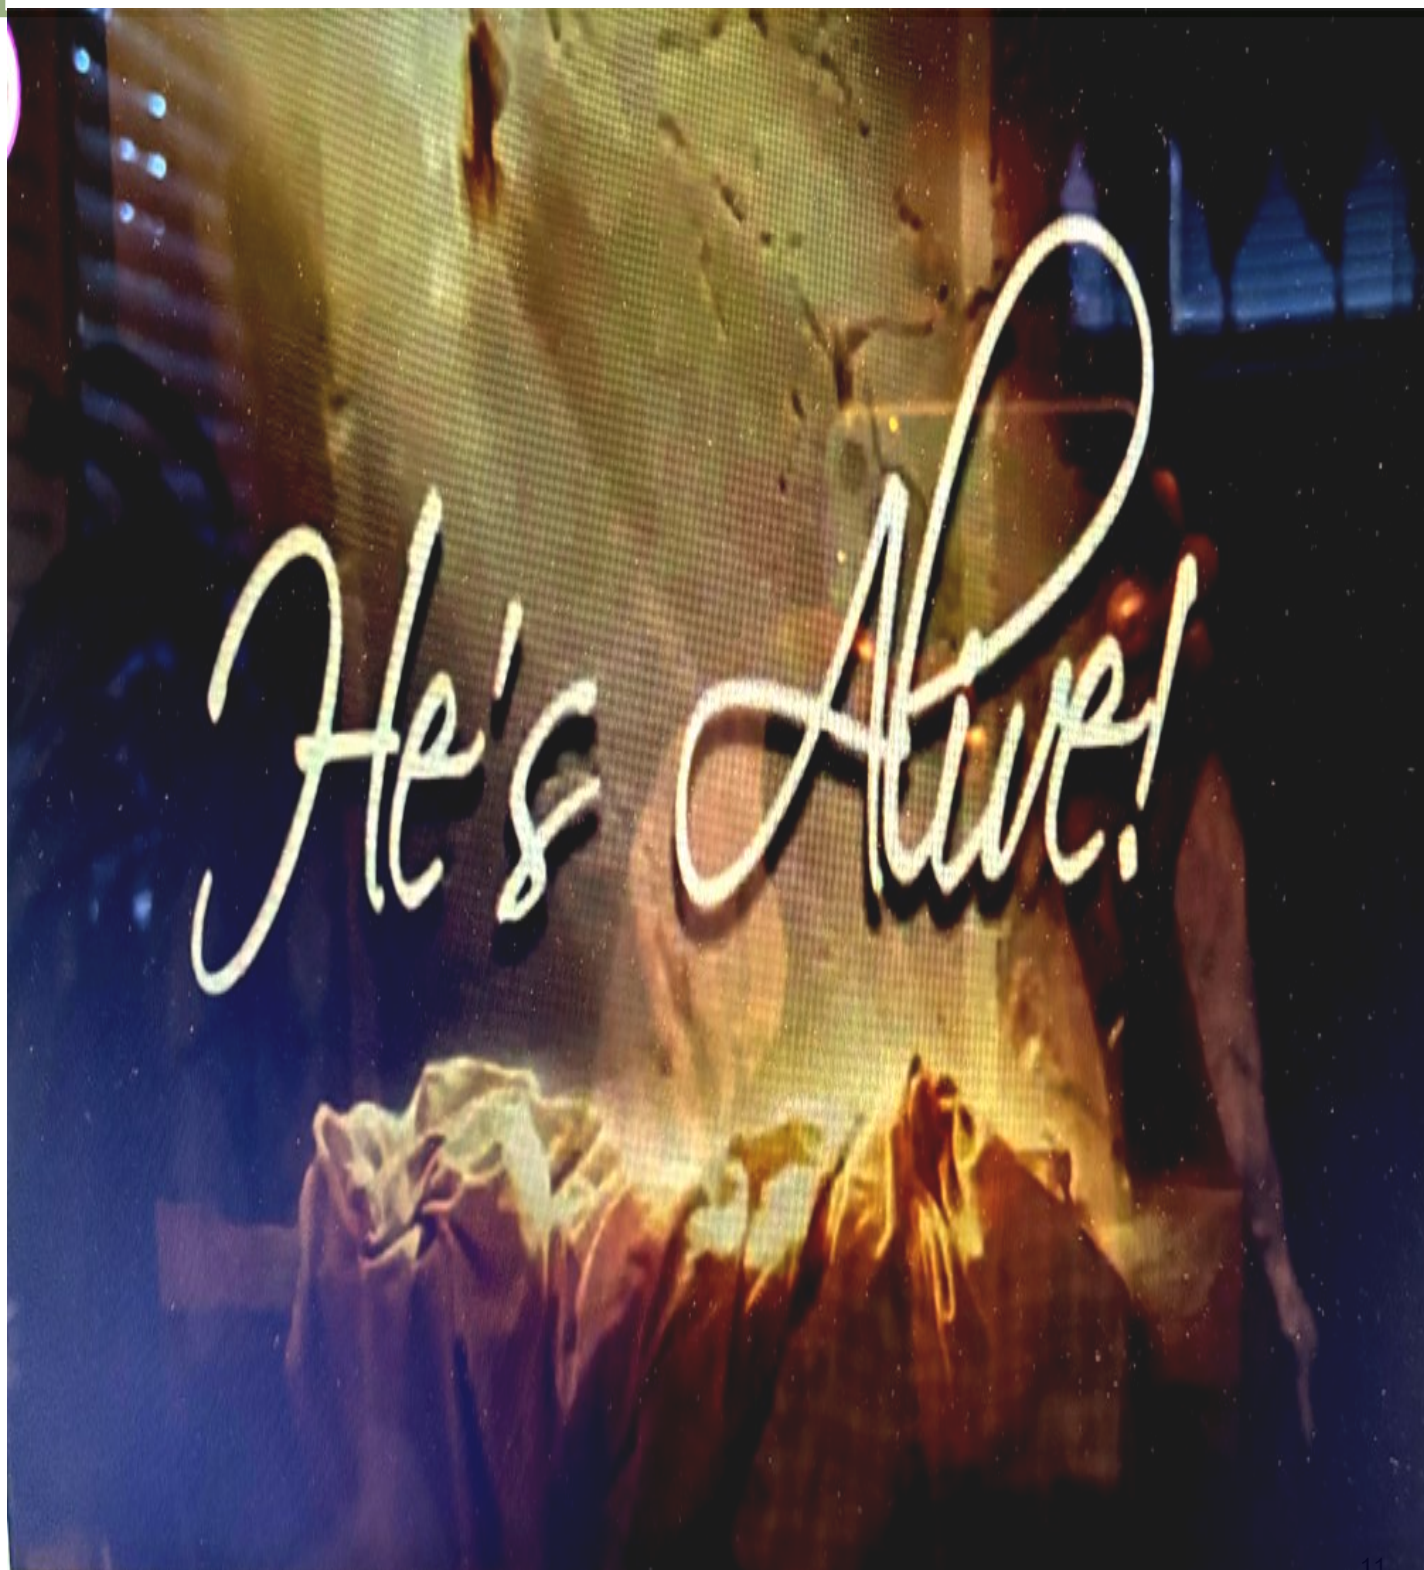

On April 18, 2025, 75 Easter baskets were given to the youth in attendance at the Easter Egg Hunt. Blueberry Hill was the site for the youth to find dyed eggs and several golden eggs as well. In the golden eggs, a cash prize was planted. The youth were broken into age groups to ensure that all ages had an opportunity to find the eggs that were hidden.

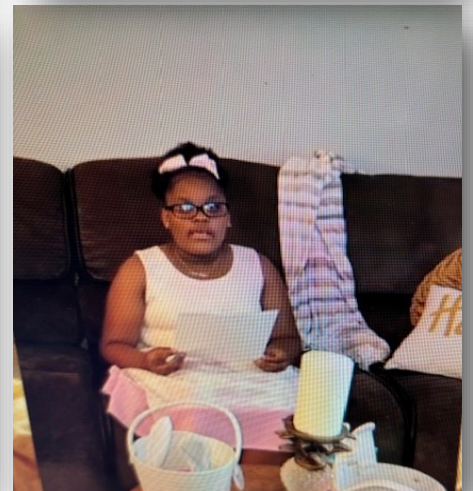

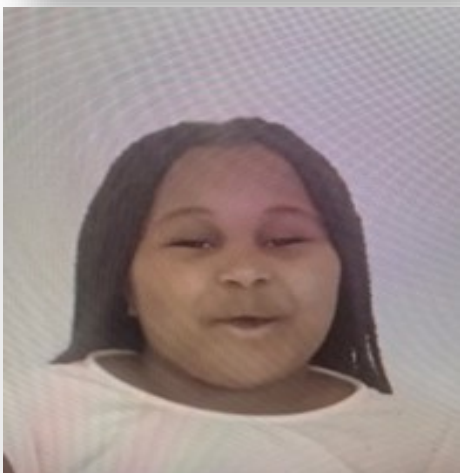

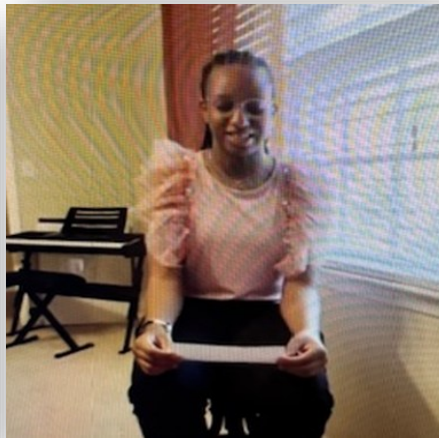

It was a beautiful day of fun and laughter, as the Easter Bunny provided candies and other goodies. The youth had an opportunity to take pictures with the Easter Bunny and played games with the Bunny as well.
